

Dear Johnny,

How are you? Let me tell you how I help at home.

I help at home on Saturday afternoon
because I need to go to school in the morning.

I sweep the floor before my mother
goes home because my home will be tidy.

I make the bed with my elder sister
because we share the same bedroom.

I do not like doing housework because
doing housework is very tiring and
I do not have time to do housework.

My mother feels happy and
excited when I help her

because I am a nice ^{boy} girl.

You are Sam now! ←

Fantastic writing! :)

Dear Johnny.

How are you? Let me tell you how I help at home.

I help at home on Saturday afternoon because I don't have classes at that time. I hang up the washing after dinner because I am free at that time. I make the bed with my mum because she teaches me how to do it better. I like doing housework because I want to be a good kid and I want to make my mum happy. Mother feels happy and relaxed when I help her because I have grown up.

Great job! 😊

Love,

Sam
