My hobby

My favourite hobby is playing scooter.

I often play it in my spare time. ✓

I often play scooter on Friday afternoons. I love playing scooter because I love sports. ✓

I often play scooter alone in the park but sometimes Mum plays it with me. Mum always says, 'Homework comes first!' 'I'll do it later.' I promise. Every weekend is a special day because I can play scooter after I finish my homework. ✓

I bring my helmet and gloves when I play scooter. They can protect me when I fall down. ✓

Playing scooter is good for our body because it keeps me fit. I enjoy playing scooter and it is great. I work hard and play hard, too. ✓

Natalie,

You added the dialogues between you and your mum. You also provided some details to the main ideas. e.g. - Why weekend is a special day? There is a marvellous ending.

Good job!

My hobby

My favourite hobby is ice skating.

I always go ice skating ✓ in my spare time.

I enjoy ice skating because I love sports. ✓

I wear my ice skates when I go ice skating. I go ice skating with my friends in the ice rink. We go ice skating in Kowloon Tong ice rink. Last Sunday, my friend called Tony bumped into somebody in the ice rink accidentally. He was sad and painful. He said he needed to be more careful next time. ✓

Ice skating is good for our body because it strengthens my bones and muscles.

I enjoy ice skating and it is fun. It makes me happy. ✓

Owen, You shared what happened to your friend in your writing. It enriched the content of your work. Well done!

My hobby

My favourite hobby is skating

I often go skating in my spare time

I like skating because it is fun for me.

I always go skating alone and I do it in the park.

I do it every weekend but sometimes I don't. If you want to go skating, you need a helmet, comfortable pants, skates, knee pads and more. It's good for your body. It makes you strong.

Sometimes you might fall down but don't give up. When I was little, I always fell down. However, I didn't give up so believe in yourself and try your best to do it!

Nice work! Your ideas are clear.
You have used different adjectives!

My hobby

My favourite hobby is swimming.

I often go swimming in my spare time.

I like swimming because it is fun and interesting.

I feel happy. My mum likes swimming, too.

I go swimming with Leo in the swimming
pool. I need swimming goggles, a swimming cap and a
swimsuit. It is good for my body so I am strong
now. I like playing ball games in the water.

My hobby

My favourite hobby is drawing.

I sometimes draw pictures in my spare time.

I like drawing because it is interesting. I feel happy. My box of colour pencils is purple because it is my favourite colour.

I always draw pictures alone at home. I need a paper, a pencil and an eraser to draw pictures. Drawing is good for my mind. I love drawing very much.

When I was four years old, my drawing was very ugly. Therefore, I practised hard then. Now, my drawing is beautiful.

You added relevant details to support the main ideas! Good Writing!
