

### My hobby

My favourite hobby is playing badminton. I always play badminton in my spare time.

I always play badminton on Sunday. I like it because it keeps me fit and it is good for my health. I feel very happy when I play badminton. I play badminton with my best friend. We usually play badminton in the playground.

We need badminton rackets, a shuttlecock and a water bottle because after playing badminton, I feel hot and thirsty. Therefore, I need to drink some water.

It is good for my body. It makes me strong and healthy. I love playing badminton very much.

My hobby

My favourite hobby is drawing. I often draw in my spare time. I like drawing because it is relaxing and it makes me happy.

I often draw with my sister because she likes drawing, too. I usually draw at home. Drawing at home is so relaxing.

I need many tools to draw. For example, some paint brushes, gouache and a palette.

Drawing is good for my mind. It keeps me calm. I like drawing very much.

### My hobby

My favourite <sup>building</sup> hobby is playing Lego bricks.  
I often play it <sup>them</sup> in my spare time.

I often play it <sup>lego bricks</sup> <sup>at</sup> on weekdays evening.

I really like to play Lego bricks

because I can make most of the

things I like. I always make minifigures <sup>(P)</sup>

<sup>a</sup> especially super heroes. I even give them

names. Some of the names are just so funny

like Spikey, Peanutman, Ele<sup>c</sup>tro snow Monster.

I also like making figet toys too. I <sup>already</sup>

<sup>(C)</sup> (have) made so much <sup>a</sup> creations in the

past but sadly I <sup>a</sup> separated <sup>them</sup> into

pieces and <sup>because I want to</sup> turned <sup>them</sup> it into different things.

I usually play <sup>lego bricks</sup> it alone but at

weekends I sometimes play <sup>them</sup> it with my

(P) It is much more fun!

Dad<sup>(PT)</sup> I normally play <sup>them</sup> it at home when having my free time<sup>(PT)</sup> but not always because

Sometimes

when I go out and eat, I might get bored so I <sup>bring them along and them</sup> play <sup>at</sup> it in that time<sup>(PT)</sup> too.

When I want to play <sup>it Lego bricks</sup> a course I will need Lego brick, right? I need

a lot of Lego bricks. People always ask me 'What kind of bricks?' Well<sup>(PT)</sup> I

often

use two by three by one bricks, two by one brick and plates. I think

the names are <sup>Complicated</sup> complicating. However, if you know what <sup>its</sup> length, <sup>width</sup> wide and

layer you will <sup>(Sp)</sup> memorise the names easily.

I think <sup>playing Lego bricks</sup> it is good for my mind

because it <sup>(T)</sup> can <sup>(P)</sup> improved my eye-hand coordination. <sup>(P)</sup> I <sup>can also</sup> learn <sup>(T)</sup> how to plan, learn how to be

My hobby

My favourite hobby is singing.

I always sing songs in my spare time.

I like singing because it is fun and I love my voice. I like singing the <sup>(P)</sup>Pop songs especially the dance songs. My favourite song is "Gangnam Style" by PSY, a Korean singer.

I like to sing with my friends. I sometimes sing with them through Zoom online meeting at home. I need a microphone, a speaker (Youtube channel) and a computer.

I think singing is good for my mind because I feel relaxed when I do it. <sup>(P)</sup>I can <sup>also</sup> enjoy the

music time with my friends together. I want  
to be a singer in the future.

### My hobby

My favourite hobby is playing badminton.

I like playing badminton in my spare time.

I seldom play badminton, but I still enjoy it.

I seldom play it because I don't have time, I rarely have time for it. I like playing badminton because I

used to play with my dad. It was very

tiring but it was still pretty fun. I don't play alone

or with friends. I play it with my dad and his friends. I

played badminton at a sports centre. I need a badminton

racquet, some shuttlecocks. My water and maybe a snack for

resting time to play badminton. It is good for my body

because there are a lot of benefits to it like losing weight,

keeping fit and there is still a lot to go.

I like playing badminton. I hope this will be my lifelong

hobby. And share the joy of it with others.

### My hobby

My favourite hobby is gymnastics.

I sometimes do it in my spare time.

I really like <sup>doing gymnastics because</sup> the hobby, it's so interesting and the tricks are so well done! <sup>I am</sup> I'm learning to do a backwalkover now. <sup>I am</sup> I'm super scared to do it but doing gymnastics is fun!

Doing gymnastics is fun because <sup>it's</sup> it's like a new challenge (every new trick I learn). My favourite <sup>one</sup> is doing the beam in gymnastics. but Vaulting is a close second. Doing the beam is scary, yes, but it's the one I like the most. It's very interesting and <sup>it</sup> It feels great when you can finally do a trick on the high thin plate!

<sup>It is</sup>  
It's even better when you have

a friend with you. My friend, Chrissy.

She's flexible like she's a doll! She's

also very funny. We did gymnastics together

last Monday. I forgot to bring my mat

for stretching and my friend shared her

mat with me because hers is big.

Gymnastics is also good for our

bodies and minds. It can make you strong

and flexible. <sup>Meanwhile, it</sup> while <sup>gives</sup> giving you a <sup>confidence</sup> confidence

boost because it takes a lot of <sup>courage</sup> confidence

~~to~~ try and do a new trick each time

so <sup>P</sup> you can trust yourself better. <sup>after doing gymnastics</sup>

I just love gymnastics so much! It's  
useful and fun as well.

## My hobby

My favourite hobby is playing computer games. I always play computer games in my spare time.

I like playing computer games because it is interesting. I feel excited when I play it. I play it alone most of the time. I seldom play with my friends. I play it at home. I need a computer, a keyboard and a mouse. I think playing computer games can relax my body, but it hurts my eyes.

Last Sunday, I studied hard for my Chinese <sup>subject</sup> dictation. I was so bored after I <sup>study</sup> study. Then, I played computer games.

It was amazing. I was so

happy. I played for a long time.

Then I stopped playing because  
it is not good for my eyes.

I enjoy playing computer games  
so much because it is exciting.

I hope I can play it next weekend.
