Dear Jack,

How are you? Last weekend, my parents and I visited a restaurant. It is a wonderful restaurant and I would like to recommend it to you.

The restaurant we went to is called 'Panda Sushi'. I think it is the best Japanese restaurant in Hong Kong. It offers different kinds of Japanese dishes, like egg sushi, Zuwai crab sushi, miso soup and ramen.

I ordered egg sushi at Panda Sushi. The egg sushi was not only delicious but also attractive. It looked special. The price of the food is low. The food there is economical.

Besides, the environment there was relaxing. I could enjoy their food and listen to some gentle and peaceful Japanese music. The staff were friendly and patient. We really enjoyed our dinner that night.

Do you like Japanese food? What is your favourite restaurant? I am really looking forward to your reply.

Love,

Aiden Wong
