Dear Mr. Benjamin,

How are you? Thanks for sharing with me how you spend the weekend with your family in the English lesson. Let me tell you how I spend a day at the park.

I go to Tsuen Wan Park with my classmates in the afternoon. The weather is warm and sunny. In the park, I can see a lot of tall trees and flowers. The butterflies are flying over the scented flowers and some birds are tweeting in the trees. There are many facilities at the park. I can see a monkey bar, a roundabout, some slides and swings. We play on the slides and swings. We even play hide and seek. After playing, I feel hot and thirsty. So, I sit on the bench and enjoy my chocolate ice cream. That's my favourite. I feel full of joy because playing at the park is wonderful. I hope I can go there again soon.
